

5-20 Autumn for Barbarossa (23 March 18)

- 1) The TEC includes a column which determines what Terrain types allow Overrun, use this instead of the usual 2 MP rule.
- 2) The SS-R Motorized Division is missing a third Motorized Infantry Regiment, the 11 SS. It is identical to the other two units making up the division and sets up in 11.10.
- 3) The Hitler Roll (and any execution of its effects) occurs in the Reinforcement Phase of the German Player turn.
- 4) Kirov is a 1 VP location but the hex does not have its VP marking on the map.

5-20 Autumn for Barbarossa (Deluxe) (30 Oct 21)

- 1) The one German Air Point with a value of 4 listing itself as a Breakdown is wrong. There is no Breakdown with a 4 value, they are all 2's like the others.
