

There are a few places where these set ups actually violate the printed ones...this is due to game-justification of the historical layout (to get rid of loop-holes introduced by hex grids and the like). Anyone using the below should use it as is and not use the printed ones...if you use the printed ones, ignore the below.

Have fun!

Dean

Set Up:

1 Rum Corps

- 1 Rum Corps HQ 4.13
- 51 Cavalry Bn 4.13
