

Hunters from the Sky (TCS #6) update for 4.0 rules (July 2009)

3.4 Maori (28th NZ Bn) add 2 to their firepower per step rather than 1 at range zero (see v4.0 11.3d). In addition, these units also ignore any Suppressed result from the Morale Table when in Assault-Style combat.

3.5 AA guns do affect German sorties as per TCS v4.0 25.1e.
